MindHandHeart Innovation Fund
Application Questions

The MindHandHeart Innovation Fund seeks to leverage the enthusiasm and problem-solving skills of the MIT community to find new and inventive ways of increasing awareness about mental health, building communities of support, and promoting life and wellness skills. The Fund offers grants of up to $10,000 to invest in cutting-edge ideas and grassroots solutions developed right here by our faculty, students, and staff.

*Applicants accepted for the fall 2017 cycle should plan to attend our training session on Monday, December 4th from 5:30-7:00PM (Location: TBD).
